

Walking from Kinloss towards Findhorn, go past The Park (Findhorn Foundation), and after about 500m you will see a 30 mph speed limit, then Dunes Road on the right. Keep going straight for another 50m and you will see a bus stop and phone box on your right. The houses there are called **Bayview**, and the **Red Aygo** should be parked in front of them as shown in this picture.

The key is in the garden of number 4. Walk into the garden through the gap in the high hedge. Walk past the rowan tree and on your left you will see a post near the hedge with a key-safe on it. The keys are in it. As a member you have been told the code.
