

The Kinloss Aygo is parked on Glebe Road. From the main road, turn into Glebe Road, which is just beside the church. Continue up Glebe Road and swinging to the right round the corner. Then you will see a side road that loops off to the left. The car is parked at the opposite point of this loop – on the right in the photo below. Note this photo is looking back back towards the start of Glebe Road, where you will have come from.

There is a short cut you can take to get there. If you are walking from the Spar shop towards the church, then just before you get to the church there is a driveway that leads to a garage, as shown in the photo below. At the end of this driveway, to the left of the garage, is a path that winds through onto Glebe Road.
